

Rapid assembly shelving.

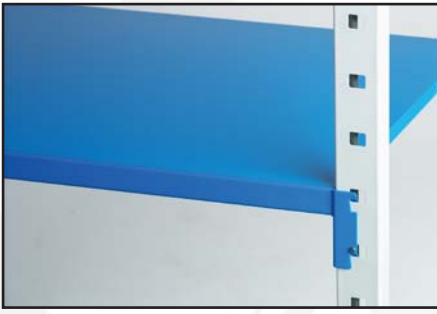

Supplied 2000mm high in 500mm or 600mm depths to allow integration with our heavy and standard duty cupboard ranges. Shelves are available in sheet steel or tubular type and can be equipped with wooden decks.

For safety all shelves are supplied with retaining pins to prevent accidental movement. Uprights are RAL7035 grey with RAL5015 blue shelves to harmonise with the rest of our range.
