

Cases

The cases from bott are ideal portable units for field use. They ensure the safe transportation and orderly storage of tools and many other items. Depending on requirements, they are available in robust steel or lightweight aluminium. All cases are lockable. An extensive range of accessories meets all individual requirements.

Aluminium Cases	286
Steel Toolchests	287
Service Cases	288 – 289

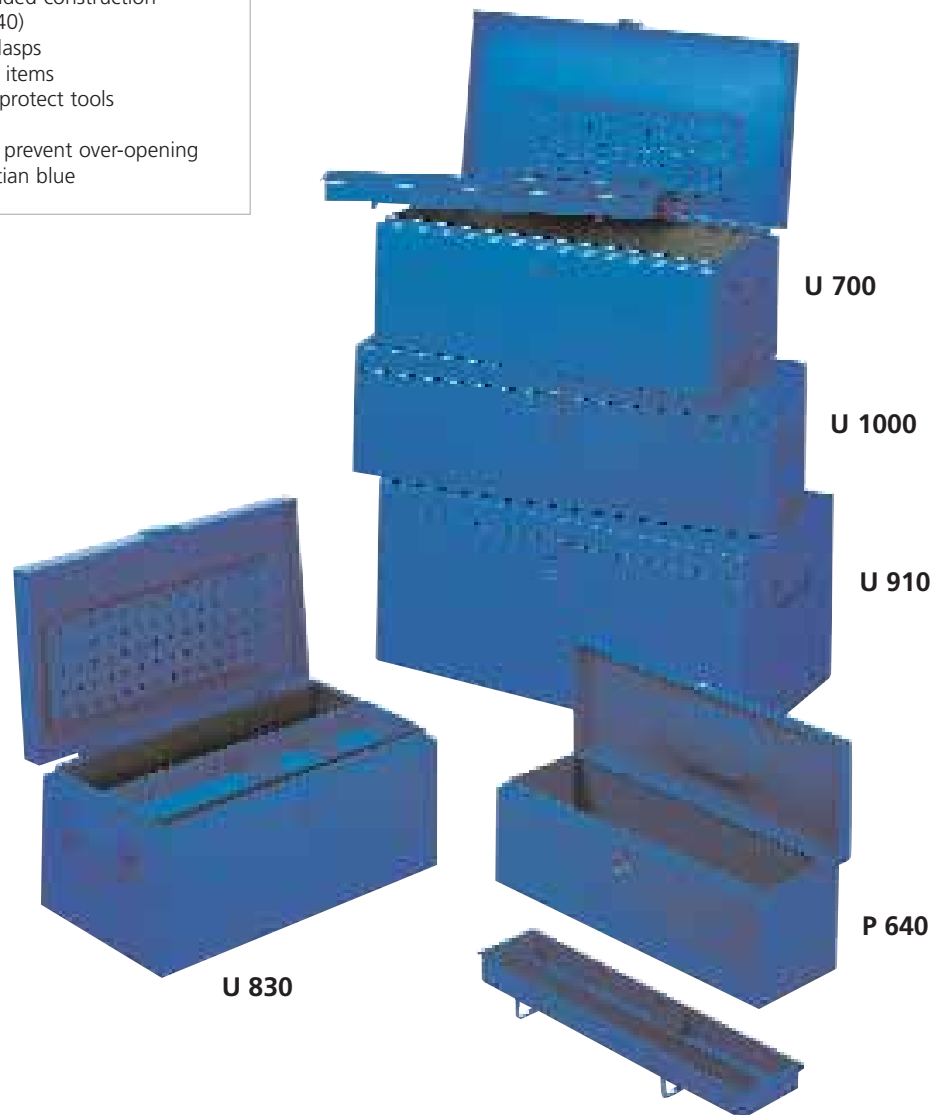

- Ribbed body for strength with light weight
- Tough plastic protected grip handles, Load capacity 35 kg per handle
- Padlocks can be fitted to front clasps
- Stacking locators on each corner
- Retaining strap on lid to prevent hinge damage and rubber seal on lid
- Based around europallet dimensions
- Recessed base
